A LETTER FROM THE CLUB PRESIDENT

**Greetings!**

I know I often thank you, our members, for continuing to support our Club, but I would like to take this “top billing” spot to exclaim in no uncertain terms that each of you is the reason we are still here! Thank you. Whether you are a new member or have been a member for 50 plus years, or if you are a social member or a Founder’s Club member, you are all important and a part of our Club family. A sense of ownership is crucial for each of you. Since our last Town Hall Meeting, several examples of this spirit of ownership have become evident. Many have expressed a desire to help in many ways too numerous to illuminate here, but one cool example of the buy in to survival is in our dining area. We track per capita member spending on dining; in January it was about \$90 and has increased to \$240 in the May numbers. The simple act of using the club has turned the loss in restaurant operations to a gain. If we keep the volume up, the results are remarkable. Thank you.

We will have another Town Hall Meeting on July 30. Please mark your calendars and plan to attend. Your board will give you an update on our situation and share ideas on how we will continue to move forward.

As always I ask that you thank our staff for their hard work, especially our Department Heads who have continued to amaze with their level of dedication and willingness to pitch in as we search to fill the vacant position in the Golf Shop. Patience is also appreciated if things aren’t always as smooth as when we had a seasoned person in each position.

Once again, thank you for your support of the Club, for your support of our Board, and for those of you who have shared kind words and encouragement with me as we work through difficult times.

*I hope to see you around the Club soon,
Jamey*

GOLF NEWS

Golf Operations
golf@clevelandcountryclub.net

Golf course is looking great thanks to David Brooks and his team! If he could just lower the temps outside everything would almost be perfect! With the hot temps the coolers on the course will be changed out more often for everyone to stay hydrated while playing! There is also ice water available at no charge in the golf shop along with other drinks available for purchase! If you are in need of a small cooler with ice to take out in the course with you they are available at the golf shop.

There are several events coming up in July so be sure to check the schedule and call to sign up or set tee times!

One event to save the dates for is Member/Guest! Scheduled for September 28th - September 30th, this is always a memorable event for everyone! More information will follow on this event but feel free to call the Golf Shop and sign up now!

July 4th golf will be open for play! Shotgun start at 9 am. Golf hours will be 9 am - 2 pm.

Thank you to everyone for the patience and the kindness you have shown to the staff in the golf department while we are looking for a new Golf Director. If there is anything we may do for you please do not hesitate to ask!

GOLF & GREENS

We started June under water with rain on nine out of eleven days! In some areas, the course was extremely wet and impossible to mow. Thank you to those that were patient and understanding for the areas that were “out of control!” These areas are finally drying up and are being maintained.

For the first half of June, the greens got used to getting water almost every day. However, the end of June has been hot and dry. The greens are now acclimating to hotter and drier weather. It has been a struggle to get consistent moisture throughout the soil profile.

We are finally fully staffed and the details are starting to show.

Reminder - Aerification is scheduled for July 9th, 10th, and 11th.

See you on the course!

David
