A LETTER FROM THE CLUB PRESIDENT

Greetings!

Things at the Club are generally good. The broker has had some interest, and a group of members continues to work on a recapitalization plan. We've had two solid months of operating results since our last town hall meeting. Member utilization in the restaurant is way up, and adjusted for weather, golf and tennis seem to be about normal. Your Board remains committed to communicating any news as we have it.

We will likely have another town hall meeting at the end of June to give an update and hear a presentation from the member group about their plan. Details will follow as soon as available.

Staff moral remains good in spite of rumors and negative information that continues to circulate. Please do not be part of this problem. Remain focused on the positives, and there are many. We still have a Club in which folks can enjoy a wonderful meal, a round of golf on an excellent course, or have a match on some of the nicest clay courts in western North Carolina. Many of you have gone out of your way to express kindness and gratitude to me personally, to other Board members and to staff understanding that these are difficult times. I cannot convey how much those words are appreciated and how much your support helps our staff and those who volunteer. Thank you.

*As always, I hope to see you around the Club soon,
Jamey*

GOLF NEWS

Golf Operations
golf@clevelandcountryclub.net

Our golf season is underway. The grass is growing and the conditions are improving every day! The search is still ongoing for the Director of Golf position so please bear with us as we find a replacement for this position. You will be seeing some familiar faces in the Pro Shop and some new ones as well as we have hired summer employees to keep things running as smoothly as possible. Jayson Sellars and Zack Byers will continue to work in the Shop as they have for the past several seasons. They are being joined by Jennifer Mackaman, Jay Wilson and Elliott Grayson. Lea Proctor is working in the Pro Shop now and is handling scheduling of day-to-day operations until a new Director is found. Please welcome these new people to our operation. It will take them a while to become familiar with operations, so your patience during this time of transition is greatly appreciated.

Be on the lookout for weekly emails from the Golf Shop to include upcoming events, course information, updates, etc. If you have information to share or would like to verify your email address, send info to golf@clevelandcountryclub.net.

GOLF & GREENS

We cannot keep up with the fast growth rate of the Bermuda grass. It is growing hard! Unfortunately, the broadleaves are growing at the same rate. Rain every three hours has made it difficult to do any kind of spraying. With the arrival of some drier weather, we will be able to focus more on broadleaf eradication. Additionally, the warmer nights have allowed the greens to finally start to grow. We can already see some progress in this area. The thin spots from winter kill are filling in nicely.

At last, the addition of “summer” hires are arriving! If you see a new face on the course, please help me welcome them. They are so appreciated! We will now have more time to focus on the details.

Hope to see you on the course soon!
