## A LETTER FROM THE CLUB PRESIDENT

**Greetings!**

What a whirlwind the first six months of this year have been. The Club has been booming with activity, and member usage has never been higher in recent years. We've had several nice parties and weddings, and our financial results are way better than we anticipated they would be at this point as we started the year and had our Town Hall Meeting to discuss the future of the Club. By the time you read this, we will have held another Town Hall Meeting (July 30th) and I hope you were able to attend and get the update on our current status and hear a few versions of our survival strategy. More information will be forthcoming as plans solidify. In the meantime, we will keep doing the best we are able with our operations and continue to enjoy this journey we are on. Thank you all for your support!

We had a few hiccups getting the pool open, but it has been well used so far this summer with many of our young families splashing about joyfully.

We will welcome a new Golf Professional beginning August 1st. Keep your eyes out for a press release. There will also be a meet and greet fish fry for him on Friday August 3rd. Our rounds of golf are actually up again from the same time last year. Good weather has helped.

David Brooks continues to do a great job with the golf course and has hired a new assistant superintendent.

Donnie has been extremely busy this summer with camps and clinics in the tennis department. We are also in the process of upgrading lighting on tennis courts 1 and 2. This is being funded by donations as a project of the tennis committee.

Our food continues to delight, and we had one heck of a fun family oriented party on July 21st complete with a "bouncy house," some Pelican shaved ice, and s'mores fixed out on the fire pit.

I am proud to be a member of our Club and extremely grateful for all the support and sense of community we are experiencing.

I'll see you at the Club soon!

*Jamey*

# GOLF & GREENS

July has been a fairly good month! Weather has been warm, but not hot, with cool spells and showers mixed in.

Aerification went well and greens are healing nicely. A very aggressive verticutting has led to some scalped areas but has also helped lead to aggressive growth!

The fountain on # 6 has had an electrical issue. In an effort to save money, it has been out longer than expected. It will be up and running promptly.

See you on the course!
